Atty. Dkt. No.: 4100.002000

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In compliance with the duty of disclosure under 37 C.F.R. § 1.56, it is respectfully requested that this Supplemental Information Disclosure Statement be entered and the document listed on attached Form PTO-1449 be considered by the Examiner and made of record in the present case. A copy of the listed document required by 37 C.F.R. § 1.98(a)(2) is enclosed for the convenience of the Examiner.

In accordance with 37 C.F.R §§ 1.97(g),(h), this Supplemental Information Disclosure Statement is not to be construed as a representation that a search has been made, and is not to be construed to be an admission that the information cited is, or is considered to be, material to patentability as defined in 37 C.F.R. § 1.56(b).

A Final Official Action has been received in the present application. However, this Supplemental Information Disclosure Statement is being submitted in an abundance of caution and should be enterable under 37 C.F.R. § 1.97(d) in light of the following information. In the alternative, for completeness and to most fully comply with the duty of disclosure, the enclosed documents should be placed in the file in accordance with 37 C.F.R. § 1.97(i).

In accordance with 37 C.F.R. § 1.97(e)(2), it is hereby certified that the document listed on the accompanying Form PTO-1449 was not cited in a communication from a foreign patent office in a counterpart foreign application. This patent lists inventors in common with the present application and was issued to the same assignee on July 27, 2004, which is less than three months ago. The patent could not have been submitted prior to that date.

Should any fees under 37 C.F.R. §§ 1.97(d) and 1.17(p) be due, the Examiner should telephone the undersigned representative to discuss deduction from Williams, Morgan & Amerson Deposit Account No. 50-0786/4100.002000.

Respectfully submitted,
Williams, Morgan and Amerson, P.C.
